MALAMALA

Fiji's most desirable wedding destination is located just 25 minutes from Port Denarau and accessible by high-speed catamaran or private vessel.

The world's first island beach club is a stylish multi-faceted events venue that can accommodate up to 400 guests, with a range of versatile private spaces for your ceremony and reception.

Brides can make a stunning entrance along our famous pier, while your guests can relax before and after the ceremony on the island. We have complimentary non-motorised watersports equipment available and a picture-perfect infinity-edge pool. Or your guests can simply relax on a daybed or lounge with a cool drink in hand, enjoying stunning views of the Mamanuca Islands.

We have everything you need to create a wedding you and your guests will never forget.

## HOW TO GET THERE

Our daily vessel transfer departs Port Denarau Marina at 10am, returning at 4.15pm and 5.15pm. You'll arrive at the end of our iconic jetty, built so you won't need to wet your feet before you're ready to. A short stroll later, over the azure blue waters lapping below, you'll find yourself among the swaying palms, immersed in our relaxing beach club environment and ready for a truly memorable Fiji experience with your family and friends.
