

Tropica Island Resort is a unique tropical oasis that embraces romance and celebration. With year round warm weather and nestled in a sheltered bay, we are the perfect setting for your island wedding . We pride ourselves on producing bespoke events from a small intimate wedding for the bride and groom only to utilising the entire island resort for approximately 60 people. The breathtaking combination of blue skies, swaying palm trees and warm tropical waters make Tropica Island Resort the perfect location for your island wedding. We are located close to Nadi International Airport so we are able to offer an intimate island experience but with the convenience of being close to the mainland. Our wedding packages are designed to give you the ultimate celebration with an authentic Fijian experience.
