# WEDDING CEREMONY

## Chapel Wedding

The floor to ceiling windows of this newly built chapel offer a beautifully framed ocean view over the traditional fire walking island of Beqa. Large bi-fold doors open to include additional seating space on the shaded wrap around veranda. Step down onto the perfectly manicured cocktail lawn and wander only metres to find yourself on the long sandy beach. The Chapel is non-denominational and comfortably seats 60 guests.

## Beach Wedding

Beach weddings in Fiji truly are as beautiful as they get! Imagine a private beachside ceremony with just the two of you or as many family and friends as you'd like, on the shores of the South Pacific. Vows are exchanged beneath the palm trees with a backdrop of crystal clear water – a more idyllic setting cannot be found. \*Numbers are unlimited for this venue. You can even get a little more adventurous and take a boat ride out to a nearby sandbank for a completely private setting with 360 degree views of the ocean. The sparkling blues of the ocean create a beautiful stage for your ceremony as guests enjoy the sea breeze and glorious sunshine.

The Pearl also offers couples full use of our Robert Trent Jones Jnr Golf Course & Country Club as a sophisticated setting for their Fiji wedding. The venue offers an expansive decking overlooking the fairways and surrounding waterways. Ideal for more intimate and private weddings accommodating a maximum of 130 guests.
