FOOD

Our Fijian kitchen staff is trained twice a year by an Italian chef, who is flies to Fiji to share his secrets. We offer a selection of delicious and traditional **pizzas, focaccia sandwiches and calzones** and also a couple of salads for a healthy option. We have **gluten free** options, as well as **vegetarian and vegan** offerings. The **seasonal and fresh** vegetable toppings are freshly selected from the local Nadi market and then slow-roasted in our wood-fired oven.

All pizzas are hand rolled and topped with mozzarella.

It's a mix of tomatoes, fresh basil, Italian mixed herbs and onions simmered for eight hours.
Did you know? "Bubu" means **Grandma** in Fijian.

MAXIMUM

A new vessel

In the middle of 2022 a new asset made its debut : Maximum! Our ferry Maximum is the ultimate comfort ride. It can carry up to 120 people.

It has a great sound system and you can grab a drink from the on board bar and an espresso or tea from its coffee shop.

Bonus : the viewing deck is the guest's favourite to watch the beautiful seascape go by.

For New Year Eve 2022 to 2023 the ferry was used for a dock party at Port Denarau, which filled in no time! As always the team delivered delicious cocktails, an international DJ and a vibe that stood out as the only place to be to bring in the new year in the Islands.
