

FINDING THE RIGHT SPOT TO SAY "I Do" HAS NEVER BEEN EASIER.

If you are planning to visit Fiji to explore the vast array of wedding options available to you, consider booking a wedding concierge service with Bula Bride. We'll personally assist you before the trip to create a short-list of venues; followed by a hosted trip to help get you more familiar with Fiji's top wedding locations once you've landed in Nadi.

Your itinerary will be custom-made after personal consultation, and is likely to incorporate the following:

- one full day to explore your chosen resorts (for mainland options), extra days are available on request
- door-to-door transport will be provided for Nadi and Coral Coast venues
- we'll pre-arrange meetings with wedding event or sales teams at each venue
- you'll have opportunities to chat in depth about vendors for photography, DJ's, hair and make up etc and arrange additional meet-and greets if time allows for this
