It is an honour to be part of this journey towards planning your dream island wedding.

We trust that the information provided in this pack will assist in tailoring your special day just the way you would like it, making the process as stress-free and enjoyable as possible. If you have any questions please do not hesitate to ask - we are more than happy to help.

Kind Regards,
Your Toberua Island Resort Wedding Team

CHOOSING THE PERFECT DAY

Toberua is the perfect venue every day of the year. We always do our best to accommodate your preferred wedding date, subject to availability, however we recommend that you let us know your preferred date as soon as possible.

Weddings are not usually conducted in Fiji on Sundays and public holidays unless special arrangements are made.

We recommend arriving in Fiji at least two days prior to your wedding so that you are relaxed and any final preparations can be made.

The most popular time of day to get married is in the afternoon. This allows your photographer to capture some beautiful photographs with the sunset after the ceremony.

STEP 1: SAVE THE DATE

Upon booking your wedding at Toberua Island Resort, please advise us of the following:

- Your preferred wedding date
- The time of day you would like to get married
- If you require the services of a religious celebrant
- How many guests you anticipate will be attending your wedding
- Any other information that you would like us to know about your special day

IMPORTANT DOCUMENTS

Like all great events, there needs to be some prior planning and approval of documentation.

We are here to assist you with this process.

No minimum stay in Fiji is required and a Fijian marriage license is legally accepted worldwide.

We require certified copies of the following documents at least 2 months prior to your wedding to ensure that we are not rushing to get your license right before your wedding day.

STEP 2: THE PAPERWORK

- Certified copy of passport and birth certificate for both parties
- 1 recent passport sized photo for both parties
- Certificate of Single Status (validity 3 months). If you have been living in a different country to the one you were born in for longer than 6 months you will need to provide this from both countries.
- If applicable, divorce papers or a death certificate for a prior spouse

STEP 3: THE PERFECT LOCATION

You have the choice of any number of locations around the resort to celebrate your love. Once you arrive at the resort we can give you a tour so that you can decide on your favoured location. As yours will be the only wedding on the day you have the pick!

Let us know if you already know your preference, have a different idea in mind or if you would prefer to decide once you arrive at the resort. Here are some of our favourite spots.

STEP 4: FLORA AND FAUNA
